

**Net Zero™
Buildings**

Net zero carbon building operations

NZGBC

TE KAUNIHERA HANGANGA TAUTAIAO

Certificate of Achievement

THIS IS TO CERTIFY

Building Name: Te Autaki
136 Fanshawe Street,
Auckland Central
Building owner: CC Artemis Trust Pty Ltd
Certification Type: Base Building

Meets the requirements of the New Zealand Green Building Council 'Net Zero Buildings: Net Zero Carbon for Building Operations' standard. Greenhouse gas emissions from building operations have been measured in alignment with ISO14064-1-2018. Pre-approved carbon credits have been cancelled to offset the emissions from building operations as per the NZGBC Net Zero Buildings standard. Net Zero Buildings certifications require buildings to have their carbon emissions publicly reported. Please refer to the disclosure page on www.nzgbc.org.nz for the Public Disclosure Summary for this building. Net Zero Buildings is an annual certification programme to be renewed every year.
